External E-mail

Betsy,

Given Charter's email last night further narrowing the case to drop its invalidity defenses, Entropic will no longer assert the '826 patent at trial.

Our understanding is that the dismissal of the '690, '362, and '826 patents would be without prejudice. See *Core Wireless v. LG Elect.*, Case No. 2:14-cv-911 (Mar. 20, 2016); *SanDisk Corp. v. Kingston Tech. Co.*, 695 F.3d 1348, 1353 (Fed. Cir. 2012); *VirnetX Inc. v. Apple Inc.*, 925 F. Supp. 2d 816, 849 (E.D. Tex. 2013). Please let us know today if you disagree so we can discuss and raise that issue with the Court, if necessary.

Sincerely,
Alan

Hi Alan,

Thank you for the email.

Please confirm that Entropic will file a motion to dismiss with prejudice the '362 and '690 patents tomorrow.

Best,
Betsy

Counsel,

Entropic will not be asserting the '690 or '362 patents at trial. We are narrowing in good faith based on the rulings received to date. Entropic may further narrow the case depending upon the content of the remainder of the pending pre-trial motions. If you would like to discuss further, please let us know.

Have a good evening,
Alan
